Entertainment

Election of Officers

President’s Message

As our time in the garden winds down, take a moment to remember this year’s successes. Surely you had one specimen/planting that stands out in your mind which surpassed all expectations. We were faced with some difficult growing conditions and inclement weather. However, soon we will forget those problems and begin planning for another year.

I want to congratulate all those members who had entries in our flower and vegetable shows this year. I was amazed at some of the beautiful horticultural specimens and designs.

It has been a busy year. Thanks to all the members who volunteered and helped us with the many jobs involving our meetings, shows, fundraising or just getting the numerous tasks completed. At our December AGM we will be looking for volunteers to fill positions on our Board or one of the committees. If you are interested, please consider how you can get involved. It does not take much time and helps our Club continue to grow and provide interesting and informative programs.

I wish you all the best and look forward to seeing you again in 2019.

Norma

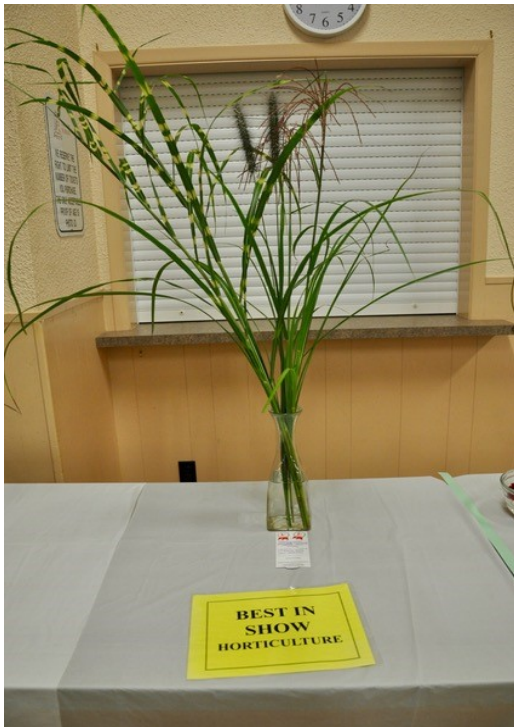

Our Fall Flower & Vegetable Show
