Fall Flower & Vegetable Show
See page 22-23 of Yearbook for
Classes. Please have entries in
Between 5:30—6:30 pm

Please be sure to enter!

Tuesday October 2nd

Meeting at 7:30 pm

Speaker is: Sean James

Topic: "Close Companions"

Tonight is our Desert Night
Fundraiser. Please come out and
participate. Who knows - maybe
your desert will win!

Although we experienced a hot-dry start to summer, we were rewarded with more rain and less stressful temperatures in July. My vegetable garden has been performing quite well. It is wonderful to pick fresh vegetables and herbs for the table. The flower garden has also been providing me with a succession of blooms; daylilies, phlox, rudbeckia, veronica, Shasta etc.

If you still have perennials you picked up on sale at the garden centre, now is a good time to plant them and you can still transplant perennials now. However, don't wait too long to get these jobs done.

The September Flower & Vegetables Show provides you with a great opportunity to show off some of those blooms and vegetables from your garden. Please check the show schedule and survey your garden for possible entries. We will help you get them labelled and entered. If you don't enter, you won't win.

*Our Hallowe'en Party at PP Nursing home is in October—details at October Meeting.

Bus Trip

Corner

Unfortunately our Bus Trip to the Quinte Botanical Gardens had to be Cancelled—we didn't have enough people!

Congratulations!

Sue Norton

For winning The Best Hat Category
at our July Meeting.

Well Done!
